

Information about enrollment to the Doctoral School in the Humanities as a PhD candidate in the NCN Sonata Bis project “Ontology of multisensory unification” (PI: dr hab. Błażej Skrzypulec, prof. UJ)

Unit name: Institute of Philosophy and the Doctoral School in the Humanities of Jagiellonian University

Position: PhD candidate in the NCN Sonata Bis project “Ontology of multisensory unification” and simultaneously a PhD student of the Doctoral School in the Humanities of Jagiellonian University.

Description of tasks in the project: The candidate's main task will be to prepare a dissertation on structures of experiences and multimodal perception. This task would involve reviewing the philosophical and scientific literature on perception, reconstructing and analyzing philosophical and scientific theories of perceptual experiences, formulating an original thesis relevant to contemporary philosophy of perception, and formulating arguments in support of the proposed thesis.

The doctoral candidate will participate in the tasks of the research team by discussing fragments of dissertations with other team members, discussing their research ideas, and participating in the preparation of co-authored papers. The candidate will participate in international conferences, presenting the results of the research project.

Terms of employment: The Candidate is required to pursue the four-year plan for finishing the School. The budget for the stipend is 3466 PLN for the first two years and 5340 in the third and fourth year (gross, monthly, for 48 months in total).

The Candidate will receive additional resources for international conference trips.

Date of making the position public: 25.04.2024

Employment begins on: 1 October 2024
