

**Information about enrollment to the Doctoral School in the Humanities  
as a PhD candidate in the NCN SONATA BIS 9 project  
“Epistemic inaccuracy and foundational problems in formal epistemology”  
(PI: dr hab. Leszek Wroński, prof. UJ)**

**Unit name:** Institute of Philosophy and the Doctoral School in the Humanities of the Jagiellonian University

**Position:** PhD candidate in the NCN SONATA BIS 9 project “Epistemic inaccuracy and foundational problems in formal epistemology” and simultaneously a PhD student of the Doctoral School in the Humanities of the Jagiellonian University.

**Description of tasks in the project:** The Candidate will adopt as the starting point of his or her thesis one of the research tasks of the project. The list of tasks and their description can be found [here](#).

The Candidate is expected to make this task his or her main topic of research until the PI judges that the goal of the task has been achieved. The Candidate will continuously take part in the proceedings of the team, e.g. giving talks about papers and contributing to work being done on other research tasks.

**Terms of employment:** The Candidate is required to pursue the 3-year plan of finishing the School. The budget for the stipend is 5000 PLN (monthly, gross, 36 months in total). The Candidate will be receiving this amount of money (after taxes) each month from start to finish of his or her work – no differentiation is planned. There is a budget for a laptop and conference trips.

**Date of making the position public:** 26 June 2020

**Employment begins on:** 1 October 2020
